NOTICE

****Proposal due date remains unchanged at **Thursday, November 13, 2025 at 12:00 P.M.******

Attention Consultants:

Carmichael Water District has added additional requirements to the subject RFP as follows: This project will be funded in part by the EPA Community Grant Program for 2024, specifically the STAG-Drinking Water State Revolving Fund. The EPA has special requirements for procurement, depending on the method and amount. A proposal in response to this RFP shall consider all of the procurement requirements during the design process, leading to accurate construction bids and any procurement during construction

Typical requirements that shall be considered if applicable are shown in Appendix A to this Addendum 2.

If you have any questions regarding this Addendum 2, please contact Carmichael Water District at (916) 483-2452 or email us at engineering@carmichaelwd.org.

Thank you,

Carmichael Water District

Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States’’). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

⁶ (1) promote and ensure open competition on Federal and federally funded or assisted construction projects; (2) maintain Government neutrality towards Government contractors’ labor relations on Federal and federally funded or assisted construction projects; (3) reduce construction costs to the Federal Government and to the tax payers; (4) expand job opportunities, especially for small and disadvantaged businesses; (5) prevent discrimination against Government contractors or their employees based upon labor affiliation or lack thereof; and (6) prevent the inefficiency that may result from the disruption of a previously established contractual relationship in particular cases; thereby promoting the economical, nondiscriminatory, and efficient administration and completion of Federal and federally funded or assisted construction projects. <https://www.govinfo.gov/content/pkg/WCPD-2001-04-09/pdf/WCPD-2001-04-09-Pg584-2.pdf>

⁷ No Federal agency may enter into any contract with any person, who has been convicted of any offense under section 309(c) of the Clean Water Act or section 7413(c) of the Clean Air Act, for the procurement of goods, materials, and services if such contract is to be performed at any facility at which the violation which gave rise to such conviction occurred, and if such facility is owned, leased, or supervised by such person. The prohibition in the preceding sentence shall continue until the Administrator certifies that the condition giving rise to such conviction has been corrected.

¹⁰ The Executive Order prohibits federal contractors and federally-assisted construction contractors and subcontractors, who do over \$10,000 in Government business in one year from discriminating in employment decisions on the basis of race, color, religion, sex, sexual orientation, gender identity or national origin. The Executive Order also requires Government contractors to take affirmative action to ensure that equal opportunity is provided in all aspects of their employment. Additionally, Executive Order 11246 prohibits federal contractors and subcontractors from, under certain circumstances, taking adverse employment actions against applicants and employees for asking about, discussing, or sharing information about their pay or the pay of their co-workers.
